

CHARITY TENNIS DAY

Bright Ideas for Tennis in association with The Tennis Circus is bringing Davis Cup tennis to our club

Join the Davis Cup pros for a selection of doubles tactics masterclasses, technical clinics or high intensity basket drills.

Put what you've learnt into practice during our carefully constructed matchplay scenarios, then compare the speed of your serve to the top pros in our fastest serve competition.

Finally, relax and enjoy a fun doubles exhibition where the pros hope to roll back the years with some great rallies and trick shots galore!

Please support this event and help raise funds for our club

Bright Ideas for Tennis is a registered charity, **all funds raised** from the day **remain with the club** and are used to provide free coaching for the club and community.
